

INDEX

1983

Airports

- March Gatwick Pier 2 extension p. 5 (N)
September Extending Yeadon's Options p. 22

Awards

- June Queen's Award for Costain p. 9 (N)
July Concrete Society 1983 Awards p. 5 (N)

BACMI

- February Three steps to growth p. 62
October BACMI backing p. 6 (N)
October The plan the Treasury don't like p. 25

Blacktop

- July Recent developments in blacktop construction p. 38

Bridges

- February Developments in design: Concrete Bridges p. 20
May Magdalene bridge strengthened p. 5 (N)
June Study of bridge repair technique p. 9 (N)
July Severn Crossing p. 5 (N)
July Second-hand bridge p. 6 (N)
October LTE's biggest bridge rebuild p. 5 (N)
December Concrete bridge design to BS 5400 p. 18

Cable TV

- March Cable TV spending p. 5 (N)

Canada

- April Canada's first fabric domed stadium p. 29

China

- April Chinese port development p. 35

Computing

- February Computing equipment p. 43
September Computing: Hardware & Software p. 35
User friendly, the shape of things to come p. 38
October Interactive graphics package p. 46

Concrete

- February Concrete pumping gains more acceptance p. 35
March Reinforced concrete slab design p. 44
March Concrete versus Steel frames p. 51
April Admixtures to Concrete p. 22
June The Use of Polymers in Concrete Repair Pt 1 p. 33
July The Use of Polymers in Concrete Repair Pt 2 p. 24
August Temperature Matched Curing p. 26
August A Challenge to Concrete p. 28
August Precasting as an aid to *in situ* concrete construction p. 34
August Corrosion and concrete repair p. 37
August Micro-silica adds to the mix p. 43
December Concrete bridge design to BS 5400 p. 18

Courses and Conferences

- February Courses 1983
March Courses 1983

Diamond drilling

- March Precision coring helps Nat West p. 35
November Diamond sawing solves Cambridge problem p. 29

Drains

- May Vertical drains for difficult ground p. 8 (N)

Dredging

- September Dredging: Present day equipment p. 31

Economic

- December Economic factors in construction design p. 33

Economy

- April Group of Eight meet backbenchers p. 8 (N)
June No signs of a sustained recovery p. 5 (N)
August "Double Jeopardy" of capital expenditure p. 7 (N)
August Opposition to further cuts p. 7 (N)
September Business failures slowing p. 5 (N)
November Contracting and civil engineering remain flat p. 18

Falsework

- July Code Breaks New Ground p. 31

Foundations

- April Foundation Failures p. 17
June British Library gets under way p. 17

Gas

- March Arctic oil and gas recovery p. 21
April Landfill gas p. 5 (N)
April Danish gas pipeline p. 7 (N)

Geophysics

- July Seismic refraction as a tool p. 34

Geotextiles

- March Las Vegas geotextile conference - Developments to Date p. 27
September Geotextiles: Specification & testing p. 45

Ground Engineering

- April Vertical drains compress time-scale p. 31
October Vibrocat now available p. 35

Ground Investigation

- April Schedule of Day Works p. 26
April Building on expansive clays p. 37
December Conditions of contract for ground investigation p. 27

Hydro-Electric

- October Pumped storage on offer p. 36

Index

- February Index to 1982

India

- February Market potential in India p. 8 (N)

Instruments

- February Instruments

Ireland

- May Ireland's largest-ever project p. 8 (N)

Landfill

- December Completing Landfill p. 23

Land Reclamation

- December Land reclamation in South London p. 9

Legislation

- February GLC proposals beyond legislation p. 5 (N)

Management

- May IDC push GMP p. 12
May Pre-tender price estimates p. 29

Measured Rates

- February p. 49
April p. 41
July p. 52
October p. 54

INDEX 1983 . . .

Middle East

- March New £5 million theatre for Doha p. 5 (N)
 April Saudi water resources p. 7 (N)
 April New dam for Emirates p. 7 (N)
 May Water supply & drainage projects for Saudi Arabia p. 9 (N)
 August UN commission Middle East study p. 5 (N)
 August Saudi oil and gas development grows p. 17
 October Is the UK market share set to fall p. 27
 October Stadium's void problems solved p. 27
 November Monitoring Middle East markets p. 63

North Sea

- September BP's £1.3 billion Magnus inaugurated p. 6 (N)

Nuclear

- May Nuclear decommissioning p. 8 (N)
 June Nuclear Power, Existing Reactor Types p. 22
 October Heysham halfway there p. 41

Offshore

- February Offshore pipeline technology p. 27
 June Beryl B load out early p. 28
 July Semi-submersible platforms p. 6 (N)
 July New offshore structure p. 6 (N)

Oil

- March Arctic oil & gas recovery p. 21
 May Oil jetty in Greece p. 9 (N)
 May Contracts follow the oil price plunge p. 17
 September Abu Dhabi's production capacity increased p. 20

Opinions

- February George Henderson p. 14
 March Philip Beck p. 12
 April Clifford Evans p. 14
 July Roy Rowe p. 17

Piling

- June West's pile inside buildings p. 9 (N)
 August Tight fit for test pile p. 7 (N)
 September Piles protected p. 5 (N)
 November Piling Options p. 51

Pipes

- March Ductile iron pipe contract p. 5 (N)
 April NWC & BGC agreement p. 8 (N)
 September Bass Strait pipelines complete p. 6 (N)
 September Pipes & Pipelines - Asbestos pipes; a clean bill of health p. 25
 - Research into pipe jacking p. 29

Plant & Equipment

- April Manufacturers negative return p. 5 (N)
 November Tower Cranes - a future full of optimism p. 20

Product Profile

- March Trenching, Shoring & Pipes p. 57
 April Excavator loaders p. 55
 May Compaction & highway equipment p. 37
 June Site vehicles p. 41
 July Surveying Equipment p. 45
 August Concrete equipment p. 47
 September Piling services & equipment p. 55
 October Corrosion Protection p. 49
 November Scaffolding & Access equipment p. 45
 December Instruments p. 37

Pumps

- May Let the pump do its job p. 23

Railways

- August Ravenscraig track maintenance contract p. 5 (N)
 August Brighton Belle updated p. 20

Refurbishment

- May A boom for industrial refurbishment p. 33
 August Bank conversion p. 5 (N)
 August Commercial Refurbishment p. 31
 September Refurbishment: Structures Scotswood Bridge River Tyne p. 43
 November Manchester redevelops the Train Hall p. 17
 November Inner City wash & brush-up p. 57
 November Flat repairs in Hackney p. 65

Reinforcement

- February Lift Slab technique for multi-storey car park p. 10 (N)
 March Linden-Alimak at the Eiffel Tower p. 10 (N)

Reservoirs

- March Carsington - a geological obstacle course p. 39

Roads

- February The impossible highway p. 36
 February Road Maintenance equipment p. 59
 March Transport to land-locked countries p. 7
 March Western Australia highways plan p. 10 (N)
 May Road scheme follows rail p. 9 (N)
 June Longest cul-de-sac p. 5 (N)

Safety

- April Fire safety under the microscope p. 11

Scotland

- July Shetlands hotel complex p. 6 (N)

Sealants

- October Small initial savings are unjustified p. 44

Sewers

- March Lighter sewer liner under test p. 5 (N)
 March Sewers - the Lords report p. 15
 April North London sewer study p. 7 (N)
 May Solving a problem in casting p. 5 (N)
 June Removal of screening p. 5 (N)
 July Sewers, The problems of dereliction on p. 27
 December Sewer relining techniques p. 11

Singapore

- March Dames & Moore check foundations p. 5 (N)

South East Asia

- February Indonesia hydropower programme accelerated p. 8 (N)

Steel

- March Concrete versus steel frames p. 51
 December Protection of structural steel p. 39

Surveying Instruments

- October Surveying instruments broaden horizons p. 31

Trenching & Shoring

- November Trenching & shoring: Recent developments p. 39

Tunnels

- June Bank on the tube p. 5 (N)
 June Small diameter tunnelling solves reservoir problem p. 9 (N)
 July Dublin tunnel breakthrough p. 5 (N)

Water

- February Model tests of spillway profiles p. 5 (N)
 April New marina design p. 8 (N)
 April Kielder water goes over p. 8 (N)
 April Coastal engineering seminar p. 8 (N)
 May River works p. 8 (N)
 June Delta The Art of a Nation pt 1 p. 12
 June Civilising the Remote Site p. 47
 July Delta, Mattress, foundation & pier design pt 2 p. 18
 September Unique water consultants p. 5 (N)
 October Moving large structures p. 5 (N)
 December Reverse Osmosis for water treatment p. 16
